CITY MANAGER SUBMITS BUDGET ESTIMATES TO COUNCIL

MEMBERS OF GLENDALE LODGE MAKE GREAT SHOWING AMID THOUSANDS IN LINE OF MARCH

**Elephant On Which Ride Some Of Local Officers
Is One Of Big Features; Round After Round
Of Applause Follows City's Delegation**

Glendale Elks' Lodge, No. 1289, participated in this morning's history-making parade, winning rounds of applause not only from their many local admirers, but also from the thousands of strangers who were taken completely by surprise at the remarkable showing made by the local participants. Exactly at 12 o'clock the Glendale division, 500 strong, swung into the line at Thirteenth and Pico. First came Walter W. Jones and William Wilson, carrying the large American flag together with the official colors of 1289. Next in line was H. Neel Graham, drum major, whirling his baton in front of the local Elks' band with the ease and poise of a professional.

The band of thirty-eight pieces, led by R. D. Crawford, playing a popular march, stepped out with the snap and precision of veterans.

Following the band marched the White Star patrol drill team of twenty-four members, commanded by Captain W. C. Wattles.

"Foot" Gibson and eight cowboys on dashing steeds and in full western costumes were next in line. The Elks' drum corps and buglers, directed by Earl Steele, followed.

Officials of 1289 rode "Charley," Universal City's great elephant, and "the largest Elk in the world." On his broad back were Exalted Ruler Alfred Priest; Arthur Dibern, leading knight; James Apple, loyal knight; Earl Patterson, lecturing knight; "Curley" Specker, the elephant's trainer. A guard of honor of ten members of the local lodge accompanied the elephant.

Dr. H. G. Martin acted as aide to Grand Marshal Alfred Priest. Following this, riding large Elks (Peter Perry's mules all dolled up) were the following past exalted rulers of 1289: S. C. Packer, Albert Pearce, George McLeod, John Lawson, John Fanset and Peter L. Perry.

Then came more than 300 members of the local lodge dressed in

PURPLE AND WHITE PARADE OF ELKS BRINGS CHEERS

**Every State In Union Has
Delegation Marching In
Los Angeles Today**

Through crowded streets, gaily decorated with purple and white bunting, and myriads of flags, floating lazily in the gentle breeze that moderated the sunshine and made perfect parade weather, the grand divisional review and parade of Elks was held today.

The parade, which has been heralded far and wide as one of the big pageant features of the convention, lived up to its advance notices in every respect. Thousands of eager spectators lined the streets hours before the starting time in an attempt to secure positions of vantage from which to view the marching purple and gold hosts.

A riot of music and color. Such is the description of the parade from start to finish. Over 1200 musicians, the famous Jackson, Mich., Zouaves, Philadelphia's crack cavalry unit were only a few of the many features.

Every State Represented
Acclaimed as the greatest pageant in the history of Elklod, the great procession, with twenty-eight bands and three drum corps, and composed of 50,000 marching Elks, wended the streets before the cheering thousands. Every state in the union was represented in the line of march, ninety lodges being represented.

Preceding the parade and clearing the streets of all stray pedestrians was a picked squad of Los Angeles mounted police. Followed Michael Shannon, Grand Esquire, mounted on prancing steeds, bedecked with magnificent saddles inlaid with gold and silver mountings.

William Wallace Mountain of Ohio, recently-elected Grand Exalted Ruler, and other officials of the grand lodge, followed in automobiles. Los Angeles' 99 officials, who have acted as hosts of the convention, also appeared in machines.

First Lodge Is Greeted
A great ovation was given New York Lodge No. 1, the parent organization of the Elks. Past Grand Exalted Ruler Edward Leach headed this division, appearing in a copy of the original uniform of the New York order which has remained unchanged for fifty-two years. John Boone, of the same lodge, was also warmly greeted as he appeared representing "Father Knickerbocker." The Philadelphia division had at (Continued on Page 4)

Edith A. Simpson Is Donald McRae's Bride

A wedding took place at the home of Mrs. A. M. McRae, 822 East Wilson avenue, Wednesday afternoon, at 4 o'clock, when her son, Donald A., was united in marriage to Edith A. Simpson, in the presence of the immediate family. The wedding march was played by Donald Castlen of St. Louis, nephew of the bridegroom, and the ceremony was performed by Rev. W. E. Edmonds. The bride was charmingly attired in a gown of white French organdy and wore a corsage of sweet peas and maidenhair fern. After an informal dinner the happy couple left for a short trip and upon their return will reside at 822 East Wilson avenue until their new home is completed.

W. T. Ashton Loses \$300 From His Safe

When W. T. Ashton, of the Ashton plumbing company of 618 East Broadway, obliged one of his customers this morning by giving him some soldering metal he didn't realize that said customer was extracting \$300 from his money box, which he had just taken out of the safe. The discovery of the bold robbery was made an hour later, when Mr. Ashton's book-keeper arrived for the day's work.

An almost perfect description of the thief was given by Mr. Ashton and an arrest is expected.

MR. AND MRS. KERNS LOCATED
Several inquiries have been made lately by visiting Elks as to the location of a family in Glendale by the name of Kerns, who originally came from Pennsylvania. Through inquiries made by The Evening News it has been ascertained that a Mr. and Mrs. Kerns, originally from Pennsylvania, are now residing at 1010 East Wilson avenue.

SEWER PROPONENTS TO ASK AID OF CITY COUNCIL

**Petition for Improvement In
Business District Will
Be Presented**

Proponents of the Brand boulevard business district sewerage system will appear before the city council tonight at which time a petition for a sewer district will be presented by James M. Rhoades, secretary of the Chamber of Commerce.

The district, which is bounded by Wilson avenue on the north, Maryland avenue on the east, Orange street on the west and Colorado boulevard on the south, is more than 50 per cent favorable to the improvement insofar as the property owners are concerned, according to Mr. Rhoades who has been instrumental in bringing the matter to an issue.

Necessity for the better system for the disposal of sewage has been plainly evident the last few weeks. It has been clearly demonstrated that the drainage of cesspools is now nearly impossible and the business men and property owners alike are determined to ameliorate the situation.

Resolution to Be Passed

According to the plans, as expressed in the petition, a resolution is to be passed by the city council authorizing the formation of the district, in which six units of septic tanks, each with three large cesspools for drainage purposes, will care for the sewage through pipe lines which at a later date may be connected to a city wide sewer system.

It is Mr. Rhoades' desire that all interested, both business men and women, and property owners be present in person to urge immediate action on the part of the council. It is expected that several score will answer the call and thereby aid in insuring the particular part of the business district concerned the sanitation which seems vitally necessary.

Stanley Herdman Glad to Get 'Cool' Weather

Stanley Herdman, formerly of Glendale, who has been spending the winter at Globe, Ariz., arrived in this city yesterday, having made the trip to California by motor. He visited the Grand Canyon and other points of interest and had driven about 900 miles when he reached Glendale. He is very glad to be back and insists that "this is fine, cool weather we are having," as the thermometer stood at 132 in the shade at the time he passed through Needles.

Mr. Herdman says the roads were all fine as soon as they crossed the border, but that Arizona roads are different and the trip was very tiring. He is staying at 118 North Louise street.

Mr. and Mrs. G. L. Knox Go to Havana, Cuba

Mr. and Mrs. G. L. Knox of 1007 North Louise street left yesterday for Havana, Cuba, where they will spend the next three months visiting with relatives and friends. From Los Angeles they will go directly to St. Louis, and from there to New Orleans. After remaining in that city for a few days they will take a boat for the island.

Mrs. Knox was born in Cuba and the majority of her immediate family and other relatives are at present residing on the island. Mr. and Mrs. Knox will return to their Glendale home about October 1.

Mr. and Mrs. Doll of Louisville Are Here

Mr. and Mrs. Martin Doll of Louisville, Kentucky, are the guests this week of Mr. Doll's brother, H. M. Doll of 727 South Louise street. Mr. Doll is a member of the Louisville lodge of Elks and is a delegate of that organization to the big Elks' convention now being held in Los Angeles.

While here Mr. and Mrs. Doll are taking in all of southern California's various wonders, this being their first visit here.

ENTERTAIN FOR FRIENDS
Mr. and Mrs. Francis E. Wilkinson of 1140 Stanley avenue entertained a group of friends informally Wednesday evening.

Today's World News In Brief

(By United Press to Glendale Evening News)

JAPAN ACCEPTS INVITATION TO BIG CONFERENCE HERE
WASHINGTON, July 14.—The state department today was notified of Japan's acceptance of the invitation to a disarmament conference. The Japanese committee, however, omitted any reference to a discussion of problems in the Pacific, which was also included in the tentative invitation sent out last Saturday.

OPENING OF STOCK MARKET IS CLASSED AS 'LAZY'
NEW YORK, July 14.—The stock market was a lazy affair, seemingly suffering from effects of the extreme humidity at the opening today. After a short, lifeless market, Mexican Petroleum got under way for a spurt up to 108. Motors were heavy, the first sale of Studebaker at 80 1/4. Then it dropped to 79 1/4. Chandler shortly after the opening made a new low for the year at 48 3/4. Tobacco showed a firmness with independent steels fractionally lower.

SAYS FRANCE MUST CONSIDER THREAT OF GERMANY

PARIS, July 14.—Premier Briand, being a pacifist, favors any effort to prevent wars, but disarmament must be considered by France in connection with the ever present threat of Germany. This was the authoritative presentation of the premier's views regarding the Washington disarmament conference as given to the United Press today by a close friend of Briand. "M. Briand himself is a sincere pacifist and deplores wars," he said. "All enterprises aiming to prevent wars are assured in advance of his sincere support."

EUROPE INTERESTED IN HARDING'S PROPOSED PLAN

LONDON, July 14.—Europe today seethed with interest in President Harding's disarmament conference. The situation in the principal countries: Great Britain—A bitter political fight raging over whether Premier Lloyd George shall head the British delegation to Washington. France—The press is filled with cynical comment on the proposed conference doubting whether France will derive any benefit from it. Italy—The people are eager for disarmament hoping it will reduce tax burdens. The pope is understood to enthusiastically support Harding's proposal.

TWO FACTIONS MEET FOR CONFERENCE OVER PEACE

LONDON, July 14.—Britain and Ireland meet around the peace table today to settle their centuries' old feud. Eamon De Valera, president of the "Irish republic" and Premier Lloyd George had final conferences with their respective groups of colleagues this morning, preliminary to the first session of the peace negotiations, scheduled for 4 p. m. in Downing street. The British premier was drawing up a formal statement of his government's proposals for a settlement. This was to be presented to De Valera this afternoon. The atmosphere was considered distinctly favorable to peace today. Thousands of troops were arriving here today on leave from Ireland, indicating that the government has no fear of a quick breakdown of the proceedings. An official statement was issued at Sinn Fein headquarters here to the effect that the conference between De Valera and Lloyd George was "purely personal." The Irish leader will be accompanied by Arthur O'Brien and Richard Barton, but they will not participate.

4 MEN KILLED WHEN AIRPLANE EXPLODES AND FALLS

MODESTO, Cal., July 14.—Four men, three as yet unidentified, were instantly killed at 8:10 a. m. today when an airplane exploded 600 feet up and crashed to the ground within Modesto's city limits. Bud Coffee, Modesto boy aviator, was the airman flying the machine, it was believed, when a letter addressed to him was found in the wrecked machine. Coffee was one of the aviators who carried Newspaper Enterprise association pictures of the Dempsey-Carpentier fight to the coast recently in record time. Live wires carrying heavy voltage were torn down by the plane and sizzled in the tar of the street. A big crowd gathered, but was held away by guards. One of the wings of the plane was found half a block away from the body. It had not been touched by fire, having been torn away before the flames got started. Small portions of the bodies of the four men lay scattered underfoot. Many saw the accident. They agreed that an explosion shook the plane apart. Both wings were seen to be torn by some great force from the body of the plane. It went into a tailspin and crashed down. As it approached the ground the plane burst into flames. The four occupants probably were burned to death before the crash came. One man was burned in the mass of ashes. Three other bodies lay a few rods from the debris. The men were so badly burned as to be unrecognizable.

Start to Hot Springs Then Hurry to Beach

E. A. Carvel of 354 Oak street left last week with C. S. Westlake of 358 Oak street for a week's vacation at the hot springs east of San Jacinto. When they reached San Jacinto, however, they discovered the thermometer was standing at 112 in the shade and their desire to visit the hot springs cooled. They turned about and hurried down to Laguna beach for their week's outing and have just returned to Glendale after six delightful days at the beach.

Mrs. Lillian Nicklin Is Visiting at Beach

Mrs. Lillian Nicklin, who resides with her parents, Mr. and Mrs. J. A. Brock of Hermosita Drive, Verdugo Woodlands, is enjoying a week at the beach while her son, Allen Nicklin, is at Yosemite National park attending the encampment of the National Guards. He is a member of the Glendale battalion headquarters company.

Miss Florence Babcock Bride of D. Wheeler

Miss Florence Babcock, daughter of G. W. Babcock of 430 West Elk avenue, became the bride of Delmar Wheeler of San Francisco on Wednesday afternoon, Rev. J. B. Green, of Los Angeles, performing the ceremony in the office of a friend of the young couple in the Wright & Callender building, Los Angeles. Mr. Wheeler is a talented organist and composer and has been the organist in one of the leading theatres in San Francisco for some time. Miss Babcock is a recent graduate of Glendale High school and has many friends among the younger set. After a few weeks spent in Glendale at the home of the bride's parents, Mr. and Mrs. Wheeler will leave for Santa Barbara for a month's outing.

WEDNESDAY CLUB MEETS

The Wednesday club met this week at Long Beach where they were the guests of Mrs. Herbert Reed, who is spending the season there. The meeting took the form of a swimming party and a very merry afternoon was spent on the sand.

PROBABLE REVENUES AND EXPENDITURES ARE OUTLINED

**Figures Will Be Considered by
Councilmen Tonight;
Growth Is Shown**

T. W. Watson, city manager, will tonight submit to the city council an estimate of revenues and expenditures for the city's fiscal year ending June 30, 1922. His report follows in full:

By T. W. WATSON
City Manager of Glendale
July 14, 1921.

Honorable City Council, City of Glendale, Cal.

Gentlemen: In accordance with the provisions of Article II, Section 6, of City Charter, I submit herewith estimate of revenues and expenditures for the fiscal year ending June 30, 1922. This does not include library fund. We have set forth an estimate of the revenues and expense of each department for the present fiscal year, together with the income and expense thereof for the past two preceding years. A comparison of these figures will serve as an indication of the growth of the city and the increase in the service that is required to be rendered on account thereof.

The growth and expansion of the city during the past year has made it impossible to keep within the budget estimates. We are glad to say, however, that the revenues exceeded the estimates in about the same proportion as the expenditures. In considering the estimates submitted herewith for the present fiscal year we are confronted with the same problem as the city shows evidence of continuing to expand and increase in population during the present year as it has done during the past several years. It is probable, therefore, that it will be necessary during the year to submit supplemental estimates and to recommend adjustments of appropriation or the distribution of additional revenue as the situation may require.

Revenues from all sources are estimated as follows:

Taxes—
General \$105,000.00
Parks and Playgrounds 6,300.00
Bond redemption and interest 9,108.75

Total \$120,408.75
Miscellaneous revenue 61,062.80

(This includes receipts from licenses, permits, fines, interest on bank deposits, receipts from franchises, receipts from waste paper, sale of garbage, etc.)

In addition to the public service and general budget estimates as provided for by charter, we also submit herewith estimate of revenue and disbursements of the general service fund. The business handled through the general service fund is partly chargeable to general budget and public service budget appropriations and has been provided for therein. A large portion of this business, however, is chargeable to accounts receivable and is not provided for in the general and public service budgets. This includes the cost of resurfacing street excavations, street improvement proceedings and lot cleaning. The total revenues from these sources are estimated to be \$33,000. The total disbursements are estimated to be \$28,204. Excess revenue over disbursements is estimated to be \$4,796.

The total revenues from the above sources are estimated to be \$214,471.55. This amount has been distributed to the various departments and divisions of the general budget and general service funds. The revenues from these sources not including revenues of general service fund for the last year were approximately \$149,973.57, and for the fiscal year ending June 30, 1920, they were \$114,036.96. The revenues from the water business are estimated to be (Continued on Page 4.)

Glendale Folk Motor on Santa Ana Visit

A party of Glendale folk who motored to Santa Ana Sunday included Mrs. M. J. Miller of 115 East Park avenue, Miss Eula Miller, Mr. and Mrs. H. G. Bracken, George Miller, Miss Gertrude Catron, Beryl Platt, James Moffett and Jack Bracken.

Mrs. E. W. Richardson Back From Catalina

Mrs. Ella W. Richardson of 317 North Brand boulevard, and her little grandson, Billy Mitchell, returned from Catalina Island, where they spent several days visiting Mrs. John Blosser.

FIRST PRIZE GIVEN JACKSON ZOUAVES IN ELK DRILL

**Salt Lake City Is Second and
San Francisco Is Third,
In Decisions**

First prize in the finals of the Elks competitive drill, held yesterday at Exposition Park, was awarded to the Jackson, Mich., Zouaves. Only a few points behind the winners came Salt Lake City, while San Francisco carried off third place.

In the musical contest Philadelphia carried off first honors. Two special prizes were also won by the Quakers, one for having the most musicians present, and another for coming the longest distance to the reunion.

A tremendous crowd attended the field contests and applauded their favorites with feverish enthusiasm. Between the contests at noon a barbecue was served in the grove.

While thousands of the visitors spent the day in a round of gaiety, the grand lodge held an executive session during the afternoon in the auditorium.

Installation Today
The most important work of the meeting was the adoption of the report of the building committee to the effect that the national administration building and memorial be erected in Chicago. Other business included the reading of reports from the various committees.

Installation of the newly elected grand officers will take place this afternoon. The publication of a National Elks' Journal, to be sent (Continued on Page 6)

Earl Newkirk Visits Here for Convention

Earl Newkirk of Bend, Oregon, is among the many visiting Elk delegates that are making Glendale their headquarters during convention week. Newkirk is stopping at the home of Mrs. Ollie Merrill, 340 North Cedar street. It is at Bend that the Elks are proposing to erect a \$2,000,000 summer camp.

Locals And Personals

Mrs. E. W. W. Hayward of 307
North Kenwood street is having her
home redecorated.

Mrs. Mary K. Waterman is taking
possession of her new home at 531
North Brand boulevard this week.

Mrs. H. F. Showalter of 701 Or-
ange Grove avenue spent Wednesday
in Los Angeles, where she was the
guest of friends.

Mrs. Tedford of 322 West Salem
street underwent a very serious op-
eration at the Glendale Sanitarium
Wednesday afternoon.

Mr. and Mrs. V. M. Tresslar of 320
West Lexington Drive spent several
days last week at their cottage on
Balboa Island, Balboa Beach.

George Hastings of 319 West Lex-
ington Drive has been attending most
of the affairs in Glendale and Los
Angeles honoring the visiting Elks.

Mrs. Dora Gibson is moving into
her house at 1321 North Maryland
this week. Up to the present she
has been living at 202 North Louise.

Mrs. William D. Phillips and
daughter Betty of 1102 East Cali-
fornia avenue have returned from a
pleasant outing with the former's
parents.

Prowlers were reported last night
at the Gilmore home, 106 South Ad-
ams street. Police investigation re-
vealed no clew as to whom they
might be.

Mr. and Mrs. F. W. Harper of
Fairmont Drive spent the week-end
at Santa Monica with Mr. and Mrs.
Critchett of El Paso, who stopped
for a few days' visit in southern Cali-
fornia on their way to the Yosemite.

Little Helen White, daughter of
Richardson D. White of 1220 South
Brand boulevard, is still confined to
her bed with a lingering attack of
the grippe.

Mr. and Mrs. M. M. Hadsell and
little daughter Alva of Little Bear
lake are spending a few days at the
parental Oliver home, 1104 East
Broadway.

Mrs. Vina Greenwell, who has
spent the past eight months visiting
her niece, Mrs. F. J. Rogers of 535
North Kenwood street, left this
morning for her home in Winchester,
Indiana.

Mr. and Mrs. C. E. Hutchinson
and family of 246 North Orange
street who are spending their sum-
mer in Yosemite valley write that
they are having a most delightful
vacation.

Mrs. A. M. Patterson and daugh-
ter, Miss Elizabeth Patterson, who
have been visiting with friends in
Glendale for the past four weeks, re-
turned to their Los Angeles home
on Monday of this week.

The R. T. W. class of the First
Baptist church held an all-day picnic
at Brookside park on Tuesday. A
delicious luncheon was served and a
most enjoyable afternoon spent,
playing games and swimming. Mrs.
Oren L. Howard was chairman of the
committee in charge. There were
about thirty-five present which in-
cluded the members of the class and
their friends.

Locals And Personals

Mrs. Dorothy McPherson of 607
North Central avenue is confined at
her home with a slight attack of la-
grippe. According to her physician,
however, she will be able to be up
and around within a few days.

Mrs. Spencer Robinson and Mrs.
Dora Gibson were the patronesses
who assisted Miss Veda Knapp at
the large musicale featuring Charles
Wakefield Cadman, given by the
Junior Musical club this week.

Mr. and Mrs. C. H. Thompson and
family, who are motoring to Oregon
for the summer, have reached Oak-
land without any incident to mar the
pleasure of their trip, according to
word received by friends in Glendale
today.

Mrs. M. N. Barnett is spending
some time at the home of her daugh-
ter, Mrs. Albert Oliver of 1104 East
Broadway. Mrs. Barnett has been
ill and spent some time at the Glen-
dale Sanitarium, but is now conva-
lescent.

Mr. and Mrs. J. W. Wilbur and
family are leaving this week for
Camp Baldy where Mr. Wilbur and
the children will spend the coming
month. Mr. Wilbur is planning to
run up week-ends and enjoy the cool
mountain air.

Mr. and Mrs. Fred Pigg of 405
North Maryland avenue had, as their
dinner guests Wednesday night, Mr.
and Mrs. Clint Cole of Louisville,
Kentucky. Mr. and Mrs. Cole are
spending the summer at the Balboa
hotel in Los Angeles.

Mr. and Mrs. J. Howard Payne of
131 North Everett street are plan-
ning to leave tomorrow for Santa
Monica, where they will spend a
week's vacation. While at the
beach city Mr. and Mrs. Payne will
be the guests of friends.

Mrs. R. K. Hilton of Springfield,
Illinois, who has been visiting with
her aunt, Mrs. Louise Purnell at the
latter's residence at 353 Ivy street,
since last November, will leave Sun-
day morning for Chicago, where she
expects to make her future home.

Mr. and Mrs. C. D. Hellyer and
son, Kenneth, of 365 West Milford
street have recently returned to
Glendale after a week's outing at
Big Bear lake. They report fair
fishing for this time of year at the
San Bernardino mountain resort.

Mrs. Charles Glover of 414 West
Myrtle street is entertaining Miss
Julia Thomas of Sierra Madre and
hopes to keep her house guest for
about two weeks. They are taking
in all the Elks' parades and other
festivities including beach outings.

Mrs. A. B. McIrvine of 702 Orange
Grove avenue acted as hostess on
Tuesday afternoon to Mrs. Fred
Fishe and baby son, Edwin, and
Mrs. A. L. Weinstein and little
daughter, all of Burbank. Mrs.
Fishe is a sister-in-law of Mrs. Mc-
Irvine.

Mr. and Mrs. C. F. Beasley of Ava-
lon, Catalina Island, are spending
this week at the home of Mrs. Beas-
ley's daughter, Mrs. A. B. McIrvine
of 702 Orange Grove avenue. While
here they are enjoying the various
Elk convention activities in Los An-
geles.

Mr. and Mrs. L. J. Ortiz and two
small children, former residents of
Santa Barbara, have recently come
to Glendale and are making their
temporary home at 1010 North
Brand boulevard. They intend to
permanently locate here in the near
future.

Two motorcars were wrecked yester-
day afternoon when John Grutzius
of Ivanhoe, according to a report at
police headquarters, smashed his au-
tomobile into a machine owned by H.
J. Poppelman of San Fernando. The
latter's car was parked on San Fer-
nando near Los Feliz Road.

Mrs. L. Houck of Los Angeles,
who at present is staying at her
house at 1128 East Broadway, very
successfully moved her Broadway
house some distance west of where
it stood and will put a new founda-
tion under it. Los Angeles house-
movers did the work on Wednesday.

An entire carload of furniture be-
longing to W. C. Fitz, recent Glen-
dale arrival from Fort Dodge, Iowa,
was unloaded this morning at the
local Salt Lake depot and delivered
to Mr. Fitz's new residence at 210
West Windsor Road. Mr. Fitz's
wife and family will join him here in
the near future.

Miss Mayme Lee Evans, who has
been a guest for the past week in
the home of Mrs. J. M. Swanner, 452
West Milford street, returned Wed-
nesday to Hermosa Beach, where she
is spending the summer with her sis-
ter-in-law, Mrs. W. E. Evans. Mr.
Evans is expected to return in about
two weeks from his eastern trip.

Walter Krukow and Newton Mc-
Gillis, local high school boys who
have been working at Catalina for
the past three weeks, arrived home
last night so that they might take
in the big Elks' parade today. The two
lads, in company with Neil Shuler
of Eagle Rock, chartered a small
fishing launch yesterday morning,
and just to prove that their angling
story was no "whopper" they
brought back four albacore weighing
ninety-five pounds. The boys will
return to their work at Avalon on
Tuesday of next week.

Mrs. David Anderson Hostess at Luncheon

Mrs. David Anderson of 3732 Sen-
eca avenue was hostess at her home
on Wednesday at a delightfully ar-
ranged luncheon, in honor of Mrs.
Wm. H. Davis of this city. An even
dozen ladies were present at the gay
affair, which took place in the form
of a surprise shower for the guest
of honor.

The home was beautifully and ap-
propriately decorated with an elab-
orate array of pink and white baby
roses, a large and exquisite mound
of which was artistically centered
upon the large dining table. Also
each guest was given a dainty bou-
quet of similar flowers.

After the luncheon, which was ap-
propriately served in three courses by
the charming hostess, the ladies assem-
bled in the living room, where they
showered Mrs. Davis with numerous
useful gifts. Following this the af-
ternoon was enjoyed in music and
games.

Mrs. Davis, who until recently was
private secretary to C. O. Welch,
Los Angeles county tax collector, has
just moved into her newly-completed
colonial bungalow at 3722 Seneca
avenue.

Mrs. S. J. Fambraugh Sees Elks in Parade

Mrs. S. J. (Grandma) Fambraugh
of Georgia has been stopping with
her daughter, Mrs. N. W. McBryde,
at the latter's home at 126 North
Louise street.

Now Mrs. Fambraugh is not 100
years old but she is—well, it isn't
polite to tell a lady's age.

Anyway, her three children have
been attending the numerous Elk do-
ings during the past week, but think-
ing "Grandma" was too old to enjoy
these affairs, had refrained from in-
viting her.

But "Grandma" had different
ideas upon the subject, and yesterday
called all of her children together in
a star chamber session.

"Now I am not going to stand this
any longer. Either you take me
with you or I am going to get some
nice bachelor that will," she asserted.
"I have more pep right now
than all of you children put togeth-
er."

Just what reply her children made
is not known, but the result is that
Mrs. Fambraugh is attending not
only today's parade, but will attend
all of the rest of the Elk festivities
—with her family.

Mrs. John Paul Will Entertain W. C. T. U.

A meeting of the W. C. T. U. will
take place at the home of Mrs. John
Paul, 233 South Orange boulevard,
tomorrow afternoon at 2:30 o'clock.
The subject selected for tomorrow's
meeting will be "Signal Lights." No
special speaker has been secured for
the occasion and the discussion will
be of an informal nature.

Another matter to be taken up at
the meeting will be that of making
arrangements for an active partici-
pation in the coming national con-
vention of the W. C. T. U. to be held
in San Francisco during the coming
month.

Mr. and Mrs. Maxwell Enjoy Elks' Concert

Mr. and Mrs. Guy F. Maxwell have
been making the most of the pleas-
ures offered by the Elks' conven-
tion. Their son, Guy F. Maxwell, is
active in the Glendale lodge and has
escorted them on some pleasant out-
ing every day. Tuesday night they
attended the concert given by the
Elks' band at Westlake park, the
party including Mr. and Mrs. M. E.
Redmond, Miss Rosalie Gilliland,
Mr. and Mrs. Maxwell, Mrs. G. A.
Boynton and Guy Maxwell.

Price of Lemons In New York Advancing

Lemons have advanced in retail
price in New York City approximat-
ely 50 per cent in the last two weeks.
Before the hot spell there, lemons
were selling on the stands for 4 or 5
cents apiece; now they are selling
for from 6 to 7 1/2 cents.

PURPLE AND WHITE PARADE OF ELKS BRINGS CHEERS

Every State In Union Has
Delegation Marching In
Los Angeles Today

(Continued From Page One)
its head the army motor truck that was driven across the continent by three brother Elks for the purpose of taking part in this parade. The original drivers, Rev. F. W. Davis, Willis Wells and William Deere, were drivers today.

Great Crowd Attends
Every inch of space along the line of march was thronged with a solidly packed mass of spectators who crowded and surged against the ropes which had been stretched along the streets by the police, in an endeavor to catch every glimpse of the passing pageant.

Every window of the buildings was filled with those fortunate enough to possess friends with these advantageous locations. While the crowd was eager and highly enthusiastic, excellent work upon the part of the police kept them all in bounds.

For Salvation Army
As a special tribute to the Salvation Army, a band from that organization was given the place of honor, which by right belonged to New York Lodge No. 1. This was a singular mark of recognition for the Salvation Army for their efforts in aiding the sufferings of humanity, in which work they have been so zealously aided by the Elks in every city and by the grand lodge itself.

The various lodges were cheered to the skies by their partisan admirers.

Player Is Released for Hitting 'Homer'

Thayer (Heavy) Torreyson, one of the popular Elks of the Braddock, Pa., delegation, was formerly a well-known minor league baseball manager. He has the distinction of being the only man known to the sport to release a ball player at the home plate for hitting a home run.

"Sox" Seybold, the old heavy hitter of the Athletics, was the victim. This is how it happened:

Seybold disobeyed orders and hit into a double play. Torreyson "panned" him unmercifully. "The next time you do that it will mean your release," he said. Seybold just couldn't see 'em pass through the groove without taking a swing. With a man on first and none down Torreyson instructed Seybold to advance the man. He did, but sent him all the way around and followed him in. His slam cleared the Easton, Pa., centerfield fence. Torreyson met him at the plate. "You are released," he shouted and Seybold went out of the game. He finished the season with Altoona in the same league and the next year he was hitting out homers for Connie Mack's Athletics.

Mrs. L. Victor Seydel and Daughter Guests

Mrs. L. Victor Seydel and daughter, Miss Frances Louise Seydel of Grand Rapids, Mich., are the guests of their aunt, Mrs. George G. Briggs at the Glendale Sanitarium. Mrs. Victor has visited in Glendale before and has many friends here who will be glad to welcome her. She expects to remain until the first of August.

Mrs. G. A. Boynton Is Glendale Visitor

Mr. and Mrs. J. R. Maxwell of 202 West Park avenue are entertaining Mrs. Maxwell's sister, Mrs. G. A. Boynton, formerly of Glendale, who has been spending the spring months at Ocean Park.

DANCE AND CARD PARTY
The Wednesday Afternoon Bridge club will entertain Friday night with a dance and card party at the home of Mr. and Mrs. E. E. East, 1213 West Lexington drive.

ENTERTAINS FOR DAUGHTER
Mrs. Harry St. Clair of 1250 South Maryland street is entertaining her daughter, Mrs. Charles Weiskopf and her three children, Betty, June and Beatrice.

MANY PLEASANT OUTINGS
Mr. and Mrs. F. J. Mellus of Lexington drive are taking in all the B. P. O. E. affairs and having many pleasant outings during the convention.

HERE FROM NEW YORK
Mr. and Mrs. Robert Walters of New York arrived this week to make their temporary home with the G. Wilcox family at 431 West Doran.

GOING TO NEW YORK
John L. Circle of 410 West Park avenue leaves Saturday at 10:30 o'clock for a six weeks' business trip to New York City.

CITY MANAGER SUBMITS BUDGET

(Continued From Page 1.)

\$139,265.50. Last year's revenues from this source were approximately \$118,786.28, and for the previous year they were \$77,163.20. The revenues from the lighting business for the current fiscal year are estimated to be \$223,949.01. For last year they were approximately \$185,666.62, and for the previous year \$115,448.57. The total revenues of the water and light business for the present fiscal year are estimated to be \$363,214.51, an increase of \$58,761.63 over last year. The total revenues for general budget, general service and public service budget are estimated to be \$577,686.06.

In addition to the above, supplemental budgets will be submitted later as follows:

Unappropriated balance of \$260,000 water bond issue approximately \$14,500. Water bond issue authorized March 29, 1921, \$100,000. Municipal District No. 4 water bonds, \$30,000. Municipal District No. 3 sewer bonds \$50,000. Bonds for parks and play grounds \$22,000. Adding the total of these, \$216,500, to revenues of general budget, general service and public service budgets gives a total of \$794,186.06, as the estimated amount of the funds that will be subject to appropriation by your council during the present fiscal year.

General Budget
The estimated disbursements for general budget accounts are as follows:

General Budget Capital Accounts
Retirement of bonds \$ 4,600.00
Equipment 2,000.00
Trucks and autos 7,350.65
Total \$13,950.65

General Budget Operation
General government \$ 29,503.75
Public welfare dept. 35,833.00
Public safety dept. 50,693.75
Public works dept. 47,040.50

Total operation \$163,071.00
Unappropriated 4,419.90

\$181,471.55
The total of the above equals the estimated income for general budget accounts.

Public Service Budget
The estimated disbursements for the public service budget which includes the water and electrical business are as follows:

Water Business
Capital accounts \$54,275. The larger amount of this is for meters and services which are estimated to require an expenditure of \$34,375. No amount has been estimated for distribution mains as these will be taken care of from receipts of bond issue. A small sum of \$3,000 has been included for service mains. This is only intended to cover incidental installations that cannot be properly charged to any particular property. It is presumed that the cost of service mains will be financed by assessment against property served thereby.

Operation account, \$83,672.50. The larger items are interest on bonds, \$28,352; cost of pumping, \$30,000; distribution expense, \$12,000 and commercial division including meter reading, billing and collection, \$7,630. Total disbursements for the water department are estimated to be \$137,947.50, leaving an unappropriated reserve of \$1,318.

Electrical Business
Capital accounts, \$99,311.77. The larger items under this head are poles and fixtures, \$18,498.29; overhead systems, \$15,124.86; line transformers and devices, \$12,032.65; services and meters, \$30,020.74. These disbursements are estimated to be sufficient to take care of ordinary extensions and betterments of the system as at present and for an additional fifteen hundred consumers during the year.

Operation, \$116,797.50. Of this \$85,000 is to pay the Edison company for electricity; \$13,000 is the estimated cost of maintenance and operation of distribution system; \$7730 is for meter reading, billing and collecting. The total disbursements on account of the electrical business for capital and expense accounts are estimated to be \$216,109.27. Excess revenues over estimated disbursements both for capital and operation are estimated to be: Water, \$1318, electricity, \$7829.74, total, \$9157.74. We recommend that this amount be held as an unappropriated reserve to be appropriated later in the year as the situation may require. Heretofore the water business has required in addition to the revenues derived from that source a considerable sum from the revenues of the electrical business to take care of extensions and betterments. The budget for the water business for the ensuing financial year, however, has been prepared on the basis of the revenues of the water business being sufficient to take care of all appropriations recommended therefor.

These two city owned and operated utilities are in splendid condition financially notwithstanding the fact that they have been subject to the same influences and difficulties that all other businesses have had to contend with during the war period and immediately thereafter. Notwithstanding that the rates both for water and light are below the average rate charged for such commodities in southern California, the revenues from these utilities have been sufficient to meet the total expense incident to good and adequate service and have provided for extensions and betterments to the systems respectively during the past fiscal year in the sums of: Water, \$49,564.27, electricity, \$64,028.69. Total, \$113,592.96. The revenues of the electrical business we are confident will be sufficient to take care of all ordinary ex-

tensions and betterments during the immediate future, provided that large extensions to the distributing system for subdivisions to be financed by the subdividers on the basis of reimbursement from the revenues of the electrical business in the sum of \$50 for each new consumer taken on such lines. If this policy be continued the revenues of the electrical business will meet all demands of extensions to the electrical system notwithstanding the rapid growth and expansion of the city. The investment per consumer in the electrical business is \$42.35.

The financing of the water business requires a much larger investment than does the electrical business. The investment in the water business at present is \$94.77, for each consumer which is over twice as much as is required in the lighting business. This necessitates a different plan of financing for the water business if the water rates are to remain on the same low basis as are the electrical rates. The financial plan that has been gradually worked out during the past two years, seems to us to be a most practicable, equitable and sound financial policy upon which to operate and expand the water business of a city growing as rapidly as Glendale is. This policy is as follows, in brief:

First. That service connections which are of chief interest to the party desiring the same be paid by such party at the time the installation is made. Under this policy the department can take care of new consumers as far as the cost of installation is concerned without embarrassment as the larger portion of the necessary funds are furnished by those receiving the service.

Second. That distribution mains which are local in the nature of the service rendered thereby to be paid for by assessment against property served. Under this policy the system can be rebuilt as required and expanded automatically with the rapid growth of the city as the funds necessary to cover the cost of such installations will be furnished by those benefited thereby at the time the installations are made.

As a rule assessments are not popular. In this instance, however, it should be borne in mind that by the assessment policy stated above a part of the cost of the service mains is distributed to the unimproved real estate of the city, whereas if such improvements were provided for by the revenues of the water business the entire cost thereof would be paid for by the owners of improved property.

Third. That the larger distribution mains, trunk lines, pumping plants and reservoirs which render a general service to the whole city to be financed by general bond issue, redemption and interest to be met from the revenues of the water business. This is just and equitable and entirely practicable even under the present low water rates if the department is relieved of other capital investments as set forth under paragraphs 1 and 2 above.

LEAVES FOR CATALINA
Mr. and Mrs. J. S. Isett of Glendale left Tuesday for a week's outing at Catalina Island.

James Moffett Gets Caressed by Sun Rays

James Moffett has decided that it pays to mind his mother. He is the son of Mrs. H. G. Bracken of 115 East Park avenue and during the hot weather has had a great longing to go swimming.

But Glendale has as yet no swimming pool and Brookside park was too far away, so one day last week he overlooked her prejudices and went to one of the secluded parts of the Los Angeles river where he could enjoy the cool water unhampered by a troublesome conscience or a bathing suit.

James has worn clothes for about thirteen years, so there are portions of his person that are very tender and unaccustomed to the violent rays of the California sun. But he didn't know he was blistered till it was time to go home.

James decided at first to say nothing about his suffering, but it finally got the best of him and he confessed. On investigating his condition Mrs. Bracken found that the burn was very severe. A doctor was called in and James has spent the last few days in bed wrapped up in bandages.

He has had lots of time to think and has come to the conclusion that one afternoon's pleasure is not worth a whole week's disability, and that perhaps after all there is something to the old-fashioned saying that "Mother knows best."

Thomas Meighan for Palace Grand Feature

When "White and Unmarried" of which Thomas Meighan is the star comes to the Palace Grand today and tomorrow film patrons will have an opportunity of seeing how "the other half lives" in the gay French capital. Meighan appears as a crook who reforms when his uncle leaves him half a million dollars and goes to Europe to kill time.

He has a romance and incidentally is involved in some desperate encounters with Apaches in Paris. It is the Paris of the novelists that is shown. The underground Paris—the Paris of the dance halls, the Apaches, the picturesque and hectic. Billy Kane develops into a man of rare prowess and rescues several damsels in distress.

It is a vivid tale with plenty of excitement and red-blooded action. Tom Forman directed and Will M. Ritchey adapted John D. Swain's story. Jacqueline Logan is leading woman and Grace Darmond has an important role.

"Man Vs. Woman," a special two-reel Christie comedy, rounds out the bill. It might be mentioned that Mr. Forman, the director, is well known to Glendale people, having played in many Glendale-made pictures.

NOTICE

The people of Glendale are hereby notified that on and after Monday, July 18th that the delivery of tags for collection of garbage will be discontinued, and all persons wishing same will be required to call at the City Hall for same.

You are further notified that the garbage and rubbish must be disposed of in a lawful manner if not taken up by the City wagons. This lawful manner shall consist of any of the following methods:

1st. Removed of rubbish or garbage in a lawful manner from the premises.

2nd. Disposing of garbage by feeding same to domestic animals, care being taken that no unsanitary conditions result from the disposal of garbage in this manner, and burning the rubbish in residential district in a manner that shall not be in any way a fire menace.

3rd. Burying garbage on premises to a depth of not less than two feet below surface of earth and covering same with lime and then earth.

All persons having knowledge of improper or unsanitary disposal of rubbish and garbage are requested to notify the Health Department by calling Glendale 1300, and asking for the Health Department and same will be taken care of.

BLOWS OUT 99 OF 100 CANDLES ON BIRTHDAY CAKE

'Daddy' Downing, Centenar- ian, Celebrates and Balks at Piece of Shortcake

At the party given in honor of his
hundredth birthday yesterday after-
noon at Arbor Rest, W. H. (Daddy)
Downing blew out ninety-nine of the
100 candles that decorated his cake,
at one breath which, according to
the old adage should prolong his life
for ninety-nine years.

For several days he has been go-
ing around practicing and develop-
ing his wind for this event. He was
in hopes of blowing out the entire
number, but appears to be well sat-
isfied with the exploit as it stands.

"I guess 199 years is long enough
to live, anyhow," he said after the
result was observed.

Chicken, mashed potatoes,
"duff," biscuits, beans, aspara-
gus, corn, three pieces of cake
and a dish of ice cream—such
was the repast that "Daddy"
disposed of yesterday. He gazed
longingly at a huge piece of old-
fashioned shortcake, bountifully
covered with a mountain of
whipped cream, that still sat in
front of him, but finally decid-
ing that discretion was better
than valor, had it set aside for
later on, and instead, topped off
his dinner with a fragrant Ha-
vana cigar.

At the table with Daddy Downing
were his grandson, Dr. E. F. Mor-
gan, A. J. Brown, Rev. S. E. George
of Washington, who is visiting at
Arbor Rest; Mrs. Ruby Wels, Mr.
and Mrs. E. F. Sellick, Mrs. R. A.
Rugg, J. W. McChesney, James X.
Young, S. E. Grant and his daughter,
Vera, James Griffin, Mrs. Clarence
Baxter and J. W. Miles.

Reception Is Held

After the dinner a reception was
held and Daddy greeted many of the
friends and cronies that he has made
during the past two years that he
has resided in Glendale.

The guests were beguiled with
tales of the early days in California
and Nevada by the centenarian guest
of honor who possesses a remarkable
memory. He described a trip he
made across San Francisco bay in a
rowboat two days after his arrival
in California in 1852. He and the
men with him were unfamiliar with
the treacherous currents of the bay
and were nearly swamped in the dan-
gerous whirlpools that infest certain
parts.

Oh, yes, he had his picture taken
while he was blowing out the can-
dles, for no birthday party is com-
plete without a picture.

The Glendale Evening News had
a picture of "Daddy" Downing and
a complete story of his life in its
issue of Friday, July 8.

Secretary Hughes May Head U. S. Delegation

By RAYMOND CLAPPER

United Press Staff Correspondent
WASHINGTON, July 13.—Ques-
tions of procedure brought up by the
call of the disarmament conference
were under official consideration to-
day, despite the fact that the actual
gathering of delegates is still some
weeks away.

Leading in speculation here is
what part President Harding will
take in the conference and whom he
will appoint to represent this govern-
ment. While there has been no an-
nouncement, the course generally fa-
vored seems to be:

The president to take no active
part in the discussions of the dele-
gates, but to advise them frequently.
The appointment of a delegation
of about four men to represent this
country in the parleys.

Secretary Hughes, in all probabili-
ty, would head the American dele-
gation. There would probably be a
senator and the names of Knox and
Lodge are mentioned in this connec-
tion. The names of Nicholas Murray
Butler and Elihu Root are heard fre-
quently as other members of the de-
legation. It is also possible that one
Democrat would be appointed. This
brings up the names of William Jen-
nings Bryan and Robert Lansing,
both former secretaries of state.

O. J. De Mars Is Again With Newport Company

O. J. De Mars, formerly with the
Glendale Homes company, is again
with the F. P. Newport company as
salesman on their Verdugo Wood-
lands tract. Mr. De Mars is one of
the original boosters for that de-
lightful section of the city and he
hopes to make his home there soon,
having moved closer to his office in
Glendale's business center some
months ago.

THE UNFORGIVEABLE DEFECTS

"There are only two crimes men
never forgive women; one is plain-
ness accompanied by dullness; the
other is dullness accompanied by
plainness."

Last Opportunity to See Famous Picture

The revival of "The Birth of a
Nation" at the Glendale Theatre last
night, an event which has caused
much anticipation, lives up to all of
its expectations. The circumstance
which brings together the director
who has done more than any other
for the development of motion pic-
tures and the exhibitor who is re-
sponsible for the progress of motion
picture presentation, is one of untold
possibilities, and the fulfillment of
these possibilities makes this revival
one that will long stand to the credit
of the American motion picture in-
dustry.

It was six years ago that Griffith's
first screen spectacle was presented,
and it is satisfying to note that time
has changed none of the brilliance of
its beauty and magnitude. Most of
us are familiar with the story, which
covers 150 years of American his-
tory. It begins with the advent of
negro slaves into New England. Then
it transfers to the south, where slave
labor became an economic necessity.
With the birth of the abolition move-
ment one sees the start of internal
strife which leads up to the secession
of the south and the beginning of
the Civil War. The great battles
reach their climax in the surrender
of Lee's army to Grant's forces at Ap-
pomattox. Then the action shifts to
Ford's theatre in Washington, where
in is reproduced the greatest tragedy
in American history, the assassina-
tion of Abraham Lincoln. The next
move is back to the south under the
reign of the carpetbaggers, with its
attendant disastrous effort to estab-
lish an equality between the slaves,
and the formation of the Ku Klux
Klan.

In the little bits of human inter-
est, in the careful reproduction of
historic events, and in the conception
of the huge battle scenes are seen the
genius of the master director. It is
a welcome opportunity that brings
back to us the artistic work of such
sterling actors as Henry Walthall,
Miriam Cooper, Lillian Gish, Mae
Marsh, Mary Alden and Josephine
Crowell.

Presentations this afternoon and
tonight afford possibly the last op-
portunities to see this famous film.
Judging from the large crowd which
was in attendance last night, there
will be capacity houses today. The
organ accompaniment for the picture
is excellent.

Saunders Paint Store Will Open Tomorrow

The Saunders Paint company at
138 North Brand is now thoroughly
renovated, papered and prepared for
the opening tomorrow, July 15. The
owner, Doc Saunders, has devoted
several weeks to the preparation of
the show room and it is now excep-
tionally attractive.

Aside from a full line of paints,
varnishes, oils of the well known
Heath & Milligan brand, the com-
pany will deal in glass, paint remov-
ers, Johnson's floor wax, and will
pay especial attention to the selling
and hanging of wall paper.

Mr. Saunders has had many years
experience in his chosen line in Ariz-
ona and will be ably assisted in the
store by his brother-in-law, Mr.
Smith, who has been in the banking
business.

The Saunders company will also
immediately engage in a general line
of contracting.

Two-thirds of the world's gold
supply is concentrated in the
United States and more is coming in.

Appeal Against L. A. by Interior Counties

RIVERSIDE, July 14.—An appeal
to the voters of San Francisco and of
the Sacramento and San Joaquin
valleys asking their aid in prevent-
ing the city of Los Angeles "from
obtaining political dominance of the
state through the forthcoming reap-
portionment" was made here by a
committee representing the "south-
ern interior counties of California."

The appeal issued by the commit-
tee primarily concerns itself with the
hydro-electric situation in the state
and asks the aid of the other por-
tions of the state in order to prevent
Los Angeles from obtaining control
of hydro-electric sites which, it is
charged, imperil the welfare of the
Southern California counties.

The appeal was signed for the
committee by C. E. Brouse, chairman
of the "interior counties committee."
The committee, according to its
statement, plans shortly to ask the
agricultural bloc in congress to take
action and wipe out the right ob-
tained by Los Angeles "to hold hun-
dreds of thousands of horsepower
from present development under
promise of future development." The
committee charged that Los Angeles
has not only filed on 250,000 horse-
power along the Owens river aqued-
uct, but has also filed on the best
power sites as far north as the
Hetch-Hetchy, and is now attempt-
ing to dominate the Colorado river
power situation.

"The district attorney of Riverside
county has been instructed," the ap-
peal added, "to intervene in the
condemnation case by which the city
of Los Angeles is attempting to con-
demn some 15,000 horsepower in the
Owens river gorge sorely needed for
irrigation in Kern, Riverside, Inyo,
San Bernardino, Mono, and Imperial
counties. Thus in the future the in-
terior counties may possibly be forced
to pay tribute to the city of Los
Angeles."

Billy Tressler Is at Work Upon Farm

Billy Tresslar, son of Mr. and Mrs.
V. M. Tresslar of 320 West Lexing-
ton Drive, is spending his summer
vacation working on his father's
ranch near La Habra. He has spent
the last week or two irrigating and
proposes to be a full fledged farmer
before school opens in the fall.

Junior Musical Club to Give Garden Party

The Junior Musical club is giving
a garden party Friday, July 15, at
the home of its president, Miss Veda
Knapp, 214 West Chestnut street.
The object of the affair is to raise
money to buy music for the orches-
tra the members of the club are or-
ganizing.

Mrs. A. N. Christ Is Buyer of Property

The C. H. Thompson real estate
company reports the recent sale of a
lot in the 500 block on West Milford
street to Mrs. A. N. Christ of Los An-
geles. Mrs. Christ will erect a mod-
ern residence on the site in the near
future. The property was bought
from H. H. Bevis of 470 Riverdale
Drive.

Real Estate Degrees in College Proposed

CHICAGO, July 14.—"Doctor of
real estate" may be added to the de-
grees conferred by the colleges of
the country.

Fred E. Taylor, Portland, Ore.,
president of the national association
of real estate boards, urged estab-
lishment of courses in real estate in
educational institutions of the coun-
try.

Taylor said membership of the as-
sociation had been doubled during
the last year.

John S. Hord of Washington spoke
before the convention on the neces-
sity of a sales tax.

HERE'S NEW YORK RATIO

New York state, with a population
of 10,384,829, has one automobile
in operation for every fifteen of its
residents, or a registration of 692,
174 motor vehicles.

John S. Chambers to Quit State Job Soon

SACRAMENTO, July 14.—John S.
Chambers has resigned from the of-
fice of state controller of California.

In a letter to Governor William
D. Stephens he declared his resigna-
tion was due to the fact he has as-
sumed the vice-presidency and man-
agement of the Sacramento branch
of the Bank of Italy, recently estab-
lished here.

Chambers' resignation will go into
effect July 16. Chambers has just
completed the signing of approxi-
mately 5,000 state highway bonds, he
said in his letter.

DISCOURAGED JOINER

"I have joined quite a number of
organizations," remarked Farmer
Cornstossel, "but I haven't yet found
one that'll enable an agriculturist
like myself to make payin' dues and
listenin' to speeches take the place
of regular work."

HEATHEN LOSE ICE CHEST; IT GOES TO CHILDREN

Monte Vista Home Obtains Storage Box Because of Mistake in Judgment

The fact that ice is unavailable in the wilds of India is not being looked upon as an altogether unimpaired disaster by Glendale folk who have had charge of the work of furnishing the kitchen of the Monte Vista Home for undernourished children, which will have its formal opening Saturday.

For it is due to this fact that the kitchen of the new home is enriched by the addition of a spick and span \$300 ice chest. Of course they feel sorry for the poor heathen who must undoubtedly suffer untold pangs in the sweltering swamps of India, but they certainly needed that ice chest awfully bad out at Monte Vista, and had no visible means of securing one. And thereby hangs a tale.

She Buys Ice Chest
It seems that a certain philanthropic but somewhat uninformed lady of a Los Angeles church, who had read of the hardships suffered by the natives of India during the hot season, was struck with the happy thought that the foreign heathen would probably be attracted to the missionary home by an ice chest and the cooling refreshments that might be contained therein.

Of course there are lots of heathen in India, so the largest and finest chest that money could buy was secured and crated ready for shipment to the far-off missionary.

But much to her consternation and that of her associates on the Foreign Missionary committee, who had also become enthused over the idea, a returning worker brought back the sad news that ice could not be secured within a distance of 500 miles.

Bought at Bargain Price
Hence the joy amongst the local workers who have been furnishing the kitchen of the Monte Vista home, for the ice chest was purchased for just one-fourth of the original cost. While the home has not been entirely completed yet they have one boy from Los Angeles who is rapidly returning to normalcy under the excellent care and nourishment he is receiving.

The opening will be in the nature of a pound party and all who attend are requested to donate a pound of eatables. Clothes and quilts have been donated by the Woman's Relief club.

Among the local Glendale people who have been active in this work are Mrs. R. W. Meeker, Mrs. A. B. Montgomery, Mrs. M. J. Hanna, Mrs. Mabel Franklin Ocker, Mrs. Ella Richardson, Mrs. P. E. Cory, Mrs. Colin Cable, Mrs. O. H. Belw, Mrs. C. F. Parker, Mrs. J. G. Huntley and Miss Corinne Orff.

Rev. A. B. Smart Is Patient In Hospital

Rev. A. B. Smart of 110 Olive street underwent a major operation at the Glendale Sanatorium and Hospital Wednesday morning. He is doing very nicely and no trouble is anticipated to hinder his rapid recovery.

Drives Over Bright Traffic Button and His Arrest Results

A motorist "cut the corner" at Broadway and Brand yesterday afternoon.
"Where is the traffic officer," commented a bystander who had noted the careless chauffeur pass over the "button."
Almost at the same moment, M. G. Collins, motorcycle policeman, stepped from one of the city's machines, paint can in hand and proceeded to whiten the button.
"Batter up," said the bystander.
Sure enough, within two minutes a visiting motorist was hailed to court for marring the freshly painted traffic marker.

Number of Moves by Glendale Residents

Requests for transfer or installation of water or electric meters filed at the public service department follow:

V. Colsher from 718A South Brand to 716A South Brand, A. J. Tauck from 155 South Columbus, D. R. Jackson from 214 East Chestnut to 1800 South Brand, Mrs. M. E. Naval Balloon Hero's Engagement Is Broken

ROCKAWAY, N. Y., July 14.—Cupid was given another beating by H. C. L. today when it was learned that Lieutenant A. L. Kloor, heroic naval balloonist, can't get married because he is too poor.

Kloor, pilot of the balloon which came down in the frozen wilds of Canada near Moose Factory last winter, is unable to wed on a lieutenant's pay—\$2,000 a year.
Mrs. A. J. Flowerton, mother of Miss Alexandria Flowerton, to whom Kloor was engaged, gave this as the reason in announcing that the engagement was terminated.

May Sell Land Near Burbank for \$145,000

In order to raise funds to forward water main installations and extensions, the city of Los Angeles will, if it follows the recommendation of the public service commission, sell 300 acres in the Providencia and Scott tract near Burbank.

The sale is proposed to be made to E. L. White for the sum of \$145,000. Mr. White has been leasing some of the land. The sale is under consideration by the Los Angeles city council.

GLENDAL'S GUARDS FIRST PRIZE GIVEN HIKE, EAT, SING, SLEEP—MAYBE JACKSON ZOUAVES IN ELK DRILL

Soldiers Enjoying Experience of Camp Life; Real Spirit Is Being Displayed

By SALVADOR FELIX
Member of Glendale's Company at National Guard Camp, Yosemite Valley.

We started from the Southern Pacific station at Tropic about 7 o'clock Friday night and stopped again at Burbank to let our neighbors on.

Our special consisted of eight cars and baggage cars, numbering ten in all. In this train only the third battalion was entrained. It consists of Pasadena, Hollywood, Burbank and Glendale.

As we traveled at night we were unable to see the country which we were sorry to miss. At day break or about 4 or 5 o'clock we arrived at Fresno.

As we had so many harmonious singers we were unable to sleep much, so were glad to get a chance to get some eats. But we didn't get them very cheap, as we had to pay \$1 for a pie.

We arrived at Merced, where we changed trains, at 7 o'clock, for Yosemite. In four hours of this trip one sees many sights which are not common. At 11:30 o'clock we arrived at El Portal, where tourists take the stage for Camp Curry, which is about one and one-half miles distant. But we, belonging to the infantry, had to take a nice trip up grade to our camp which is about a mile this side of Camp Curry.

Starting off at 12 o'clock, with the temperature of 110 degrees, we began our six mile hike. The bunch made a good showing. Although starting last, we were soon ahead of the rest, but were passed later for the army trucks which had finished taking our packs and other supplies gave them a ride in before they had marched half way.

We continued until we were within half a mile of the place where we were to camp for the night when the trucks came after us. The company wanted to go ahead and finish, but we have somebody over us and had to obey.

Our bunch is one to be proud of. Although this is the first time in an encampment we are making a good showing both in size and spirit, that spirit only known in Glendale.

Arriving at about 4 o'clock we were made to clear ground and fix our pup tents for the night, had our nice looking-forward to dip and the eats, an evening serenade and taps.

Some of the fellows had planned for a fishing party in the early hours of the morning, but we found we were wakened at 4 o'clock to start on the rest of our hike, but not before eating breakfast.

Marchers Make Good Time
We were on our way at 7 o'clock, this time with our packs on, while the day before we had marched without our eighty pounds. We did not mind it, and considering the heavy vegetation, made good time, taking only two and one-half hours, starting at 7 and arriving at 9:30 o'clock, having covered eight miles, but it was some difference in the temperature.

All the fellows are in good condition, and as it is time for a good hearty meal they are yelling, although it is yet early.
We can't tell yet about our program for the day. We don't get orders till after breakfast. We may not get any more drilling to do, but there are always plenty of other things to do.

Profiteers in Farm's Products Being Sought

By FRAZER EDWARDS
United Press Staff Correspondent
WASHINGTON, July 14.—Congress started on the trail of the farm products profiteer when the agricultural inquiry was opened by a joint committee of the house and senate.

With sweeping authority to go in to the highways and byways along the route from the farm to the dinner pail, the committee has set out to find the men who are making big profits on foodstuffs. Wearing apparel will also be traced from the cotton fields and sheep ranges to the buyers back.

Agriculture, members of the committee contend, is in a state of distress that economic conditions do not justify. Somebody is getting a large part of the farmer's share of the profits and the consumer is paying unduly high prices, they declare.

The investigation will go into:
1—Cause of the present condition of agriculture.

2—Difference between prices of farm products paid to producer and ultimate cost to consumers.
3—Comparative conditions of industries other than agriculture, including relative prices of commodities.

4—Banking and financial resources and credits and marketing and transportation facilities.
After taking testimony of representatives of the various farm organizations, Chairman Anderson indicated that the committee would make trips to the centers of distribution for first hand information.

Salt Lake City Is Second and San Francisco Is Third, In Decisions

(Continued from Page 1)
to the address of every member of the lodge as a paid up subscriber, was authorized.

Nightly shows are being given by the Minneapolis Glee club at the auditorium. The minstrel show put on by this organization is proving to be one of the sensations of the convention.

Today's Program
What do we do today? Here's the program:

10 a. m.—Elks grand lodge reunion parade. Line of march through principal streets of business section.

1 p. m. to 6 p. m.—Long Beach entertainment. Automobile rides, bathing, fishing, dancing and other amusements.

8 p. m.—Moving picture electrical pageant, with motion picture studios of Los Angeles and vicinity participating, through the downtown streets.

Midnight—Dance at hall on Grand avenue for hands and drill teams and their friends.

Big Electrical Display

An innovation in parades will be tonight's big electrical display which is being arranged by the motion picture studios. In magnitude and spectacular effects it is predicted to-night's procession will far surpass anything in this line ever before attempted.

Hundreds of thousands of twinkling lights, supplied with "juice" furnished by generator wagons placed at convenient locations will dazzle the eyes of the spectators, while equally dazzling will be the hundreds of pretty girls in a great variety of costumes, both dress and undress.

Spanish girls, Indian maids, girls from Erin, Turkish harem girls, Japanese Geisha girls, Honolulu hula-hula girls, and last, but not least, Los Angeles bathing beauties on the beautifully lighted and decorated floats will pose for the plaudits of the multitude. The studios have gone the limit to make the event a memorable one. Many surprises are promised by the different studios who have had their art staffs busy for weeks.

The pageant is scheduled for 8 o'clock sharp, with the line of march as follows:

Start Sixteenth and Hill, thence north on Hill to Tenth street, east on Tenth to Broadway, north on Broadway to First, east on First to Spring, south on Spring to Ninth and Main, south on Main to Washington, west on Washington to Hill, disbanding.

'Lawyers' Union' Bill Is Now Being Held Up

The "lawyers' union" bill, introduced in the legislature by Senator E. P. Sample of San Diego, passed by that body and signed by the governor was held up by referendum, according to announcement of State Election Expert Charles Haggerty at Sacramento. Sufficient signatures to hold up the measure were received Saturday, said Haggerty.

The measure prohibits banks and trust companies from giving legal advice to clients. The trust companies fought the measure throughout the recent session and started the circulation of petitions immediately after the bill had been signed by the governor.

Estes to Open Store In Verdugo Woodlands

R. D. Estes, formerly a merchant in Los Angeles, will open what is to be known as the Verdugo Woodlands grocery on Saturday of this week. It is located on Canada boulevard in the F. P. Newport Company subdivision. Already the fixtures have been installed and stock will be placed on the shelves at once. This is the first commercial enterprise in Glendale's high class residential section and Mr. Estes foresees a good future for his store. Already he has purchased an auto delivery truck.

For splitting logs an Oregon man has invented a gun which can be screwed into a log to discharge blasting powder when a lanyard pulls a hammer against a percussion cap.
